AFL launches AFL Community Club Website

The AFL's Community Development department have recognised the need for a world's best practice online community football destination with the development of www.aflcommunityclub.com.au. The website provides information targeted at:

- Club Administrators
- Coaches
- Players
- Umpires and Umpire Coaches
- Volunteers

AFL Community Club continues to evolve and provides:

- Club help
- Online learning
- Videos and photo galleries
- Training and advice
- Forums

Key features of the site have been outlined in the newsletter below.

The latest news, information and resources for AFL community football players, coaches, umpires, administrators, volunteers and supporters.
